

Fact Sheet on COMET (COVID-19 Multi-Passenger Enhanced Transporter) MAXI

S/N	Features of the COMET MAXI	Description
1.	<p>The Driver's Compartment</p> 	<ul style="list-style-type: none"> • The driver's area is separated from the rear of the vehicle by a wall and an emergency door with observation windows that are completely sealed. The emergency door is locked at all times and can only be opened from the driver's compartment in the event of an emergency. • The driver will access the driver's compartment through the dedicated front door. Passengers will not come into contact with the driver's compartment. • During the passengers' embarkation and disembarkation through the rear doors, the driver will remain in the driver's compartment and not come into contact with the passengers. There will be personnel at the pick-up and drop-off points who will assist in the movement of the passengers. • In addition to the driver's seat, there are seats for up to two passengers, such as a paramedic or an escort officer, if needed.
2.	<p>Independent Air-conditioning Systems</p> 	<ul style="list-style-type: none"> • The air-conditioning systems of the front and rear cabins are two separate systems working independently of each other. This ensures the air circulation in each cabin is separate from the other. • A Negative Pressure System (NPS) has been installed in the rear cabin of

		<p>the vehicle to filter and clean the air before it is pushed out externally.</p> <ul style="list-style-type: none"> • The NPS helps to maintain negative pressure in the passengers' compartment except when the rear doors are opened for embarkation and disembarkation of passengers. • The Negative Pressure System ensures that air can enter the passengers' compartment but will not escape from the passengers' compartment except through the NPS.
<p>3.</p>	<p>COMET Logo</p> 	<ul style="list-style-type: none"> • The Heart represents life. The Singapore 'heartbeat' depicts a common rhythm as we unite as one during this pandemic to show care, humility and empathy. This design conveys our desire to support the needs of our community during such challenging times. • The three COMET values are: <u>C</u>are, <u>S</u>afety and <u>R</u>esilience.
