Do your bit for the environment. Pledge to go green!**

1. Calling all SMRT train and bus passengers: here is your final chance to win the coveted grand prize of one-year free travel for four on SMRT trains and buses in the "Join the Green Revolution" public transport education campaign. Simply travel on SMRT trains and buses from 1 May to 30 September 2009, reduce your carbon footprint and be eligible for the draw. Passengers can double their winning chances by pledging to go green with SMRT at GoGreenwithSMRT.com before 30 September 2009.

2. At a roadshow in Woodlands MRT Station this afternoon, five lucky passengers were drawn to win September's prizes of the three-month unlimited travel passes: 1000 0800 4242 0541, 1000 0800 3139 9014, 1000 0800 0892 0340, 146800818 and 930590435.

3. Audiences were engaged through games and activities to raise their awareness of environmental issues. The activities also encouraged commuters to lead an eco-friendly lifestyle such as taking public transport, sending home the message that going green is easy and socially responsible

4 Michelle Tan (陈佩荣), 62, a participant in the green game, shared how she plays her part for the environment: "I take the public transport regularly. With the opening of Circle Line, travelling has become more convenient. For example, my journey to the temple via Bishan Interchange has been reduced by an hour. During my free time, I also enjoy recycling used bottles and turning them into new creations, like a sunflower, to decorate my flower pots."

5. Ms Tan Cheng Cheng (陈清清), is a 40-year-old homemaker and one of the winners of three-month free travel in the July monthly draw. The firm environment advocate buys organic food and household items to reduce the impact of chemicals such as pesticides on the environment. She shares: "For me, besides buying organic food, I also make it a point to be greener by taking public transport to the grocery stall or to run errands. At home, I also use garbage from vegetables and fruits to make my own soap, as this is more effective in removing odours and stains."

SMRT 'Join the Green Revolution' is a campaign designed to promote the environmental and lifestyle benefits of public transport.

In its second year, 'Join the Green Revolution' continues its message for the public to go green and reduce its carbon footprint, ease traffic congestion, reduce emissions, clear the air and relax or read during commute by taking public transport.

To sweeten the deal, between 1 May and 30 September 2009, passengers who travel on SMRT trains, LRT and buses stand to win passes for unlimited free travel with SMRT. Every month from June through September, five lucky passengers get to walk away with three-month passes for unlimited free travel.
