

Suspect It. Report It. Always Be Alert. Nobody Gets Hurt.

Join the **SMRT Community Emergency Preparedness (SCEP)** Programme and learn how you can play your part in public transport safety and security.

ABOUT THE PROGRAMME

All SCEP participants will undergo three hours of theory and four hours of practical lessons.

✓ The theory lesson includes:

- Introduction to security threats and challenges such as chemical, biological, radiological and explosive attacks
- Training on how to be vigilant on SMRT's transport network
- Training on reporting procedures and emergency response

✓ The practical training lesson comprises on-site role-playing, identification and reporting of threats, and a train evacuation using the detrainment ramp.

✓ SCEP training lessons are conducted fortnightly, subject to a minimum class size of 50 persons.

✓ SCEP graduates may take part in any upcoming Emergency Preparedness Exercise held at the stations, train depot or bus interchange (optional).
