

SMRT Corporation Ltd – Executive, Planning

You will play a key role in revenue planning, operations analysis and service development in SMRT's multi-modal public transport business. You will assume responsibilities in monitoring the business environment, identifying opportunities to enhance SMRT's MRT, LRT and bus businesses, forecasting patronage and revenue for budget planning, analysing operating performance, evaluating bus service proposals and producing management reports.

Requirements:

You should have a good degree, preferably in studies related to Business Administration, Industrial Engineering, Economics or Transport. Proficiency in the use of MS Office applications, ability to meet tight work schedules, and good verbal and written communication skills are essential. Competency in transport planning and working experience in the public transport industry or in statistical analysis would be advantageous.
