

SMRT Corporation Ltd – Senior Executive, Planning

You will play a key role to realize and sustain business excellence and service excellence in SMRT's multi-modal public transport business. You will assume responsibilities in the evaluation of public transport service proposals, market research, travel demand forecasting, and other transport planning work. You will also mentor the junior staff members of the team.

Requirements:

You should have a good degree, preferably in transport-related studies, and at least two years of relevant working experience. You must have excellent analytical skills, verbal and written communication skills and presentation skills. You must be able to work with and manage relationships with all levels of staff and the regulators. You must possess the attitude and commitment to achieve business excellence and service excellence. Competency in transport planning and market research would be advantageous.
