

### **SMRT Trains Ltd – Line Manager, Escalator, Platform Screen Door & Lift**

You will manage and lead a team of Assistant Engineers and Technical Officers to provide maintenance on escalators, platform screen doors and lifts (mainly preventive, corrective maintenance & overhaul) to provide a safe, reliable and cost effective operation of these equipment. You are also required to work on financial planning, organising, monitoring and controlling these maintenance activities to optimise resources such as manpower, materials, tools and equipment. In addition, you will play a critical role in the areas of safety management, quality management and productivity movement.

#### **Requirements:**

You should possess a Diploma in Electrical or Mechanical Engineering with at least 6 years of relevant experience in the maintenance of lifts and escalators and at least 2 years in a supervisory position. You must be a strategic thinker who is resourceful and mature, and possess excellent leadership, interpersonal and communication skills. Those with working experience in Kone and Otis escalator will be an added advantage.
